Brand Usage Rules

✓ DO

Always use Deep Ink as the primary background on dark layouts.

✗ DON'T

Never use Amber as a background for large areas — it's an accent only.

✓ DO

✗ DON'T

Pair Syne 800 with Cormorant Italic for contrast between strength and elegance.

Never use pure white (#FFFFFF) — always use Warm White (#F5EDD8) to keep the warmth.

✓ DO

Use thin horizontal amber lines and minimal borders as design elements.

✗ DON'T

Never add drop shadows, gradients, or glow effects — keep it flat and intentional.
